**Stephanie Inn Dining Room Supervisor Promoted to General Manager
of the Lumberyard Rotisserie & Grill**

Vicki Clarke will lead the team at the restaurant

Cannon Beach, Ore. – Martin Hospitality staff member, Vicki Clarke, was recently promoted from dining room supervisor of the Stephanie Inn Dining Room to general manager of the Lumberyard Rotisserie & Grill. She will oversee the complete operation of the restaurant, including the development and execution of marketing strategies, promotional activities as well as building the team that creates a family-friendly environment for guests; ultimately making them feel like they're home.

Clarke grew up in Elsie, Oregon, graduated from Jewell High School and began her 30-year restaurant career at the Elderberry Inn in Elsie. She then moved on to Camp 18, a logging museum and restaurant in Elsie, which prepared her for her future stint at the Lumberyard Rotisserie & Grill, with its timber-industry theme. From Camp 18, she moved on to manage the elegant Rose Room during the Portland Trailblazer games at the Rose Quarter.

"I really love working in the restaurant business," said Clarke. "Nothing makes me happier than pleasing my guests. My philosophy mirrors that of the Martin Hospitality family, which is to create great lasting memories for our guests."

In 2005, Clarke joined the company as catering operations manager of the Surfsand Resort and after a brief hiatus, returned to the company in 2009 as dining room supervisor with the Stephanie Inn Dining Room.

For over 30 years, Martin Hospitality has specialized in creating lasting memories on the Oregon Coast through their award-winning inns, resorts and restaurants in Cannon Beach and Seaside. Martin Hospitality manages the world-renowned Stephanie Inn, appearing multiple times in Conde Nast Traveler and named as one of Travel + Leisure's World's Best Hotels. Martin Hospitality also manages the Surfsand Resort, Wayfarer Restaurant & Lounge, Inn of the Four Winds and the Lumberyard Rotisserie & Grill.
